Guiding our Vision and Mission: Dallas Bethlehem Center's Board Members

From the Director's Desk...

I heard someone say, "A calling is something you can't quit." This is something I have witnessed throughout my time at Dallas Bethlehem Center. I see the faithfulness of our volunteers week after week. I see the generous support of the United Women in Faith Circles and United Methodist Churches month after month. And I see the financial gifts and donations that continue to flow year after year, that help keep our doors open and our mission alive. It is a joy and a blessing to say thank you to each and every one of you.

Donor Appreciation & Board Reception

Whether your gift is large or small, your generosity and kindness make a difference. Thank you for all you do for Dallas Bethlehem Center and for the many lives you continue to touch.

The laughter and fellowship we shared at our Appreciation Gathering was a memorable event. My only regret was that many of you were unable to attend. We are already looking forward to our next Appreciation Gathering, which will be held at a larger venue so we can welcome as many people as possible and celebrate together as one family.

Words cannot express how valuable our donors, partners, and volunteers are to Dallas Bethlehem Center and to the families we are honored to serve. We are deeply grateful to you for being a faithful steward of the calling and purpose God has placed before you. Simply saying "thank you" could never be enough. A thousand words of gratitude would not be enough. A bouquet of flowers arranged with love and appreciation, would not be enough. Even a warm embrace shared as an expression of extended family love would not be enough. No gesture or expression can fully communicate our humility and gratitude for every seen and unseen hero who continues to invest in the mission of DBC.

The foundation of Dallas Bethlehem Center was laid more than 80 years ago. Through God's mercy and grace, we have continued to press forward, overcoming challenges, move from victory to victory, and remain determined in our mission. Along the way, there have been seasons of ups and downs embraced with prayers that sustained us through times of uncertainties. The generosity, compassion, and servant hearts of our supporters have inspired others to take notice and were moved to join our mission, becoming part of something greater than themselves. Many have chosen to invest in DBC to help transform lives, and with God's guidance, we will continue making a lasting impact for many years to come.

Donor Appreciation & Board Reception

Because of our donors, partners, and volunteers, we have been able to extend our reach beyond the 75215 and 75210 zip codes we serve, bringing hope and opportunity to additional communities. Your support allows Dallas Bethlehem Center to provide greater access to resources, experiences, and opportunities that encourage children and families to discover the endless possibilities that expand beyond their surroundings. Together, we are opening doors, and empowering children to see a future filled with expectations and opportunities.

A special thank you to my son, DeMarcus and daughter Stephanie, for your never-ending love, hard work, and support. Your loyalty and commitment mean more than words can express.

On behalf of our staff, the Board, and myself, we want to extend our sincere gratitude to everyone, for all that you do, and for the love and support you continue to share with us.

Blessings,
Annette Cullors
Interim Executive Director
