We are super excited to host **FIFA Watch Party** (starting at 5:00 pm) right here at DBC!

And as we gear up for **Grocery Connect's fun carnival**, we are seeking volunteers to help welcome DBC clients and conduct surveys during the carnival. Please be on the lookout for a **SignUpGenius email on June 15** with details on how to get involved. We look forward to serving alongside you because your support makes all the difference!

As we step into June, we celebrate an incredible May filled with meaningful impact made possible by our dedicated volunteers, partners, and supporters.

Thank you for being part of this journey! Your support continues to inspire hope and lasting change at Dallas Bethlehem Center.

Volunteer Spotlight: Brian Oneal

Brian has been a wonderful part of the DBC family, bringing a heart for service and a genuine love for people. Having lived in the neighborhood since 2025, he first connected with DBC through the community and has been serving faithfully since 2024.

Originally from Longview and raised in Garland, Brian aspired **to study Business at the University of Texas at Arlington on a basketball scholarship**, but instead chose to build a career as an independent contractor, working in home building and landscaping after moving from East Texas.

What inspires Brian to serve at DBC is simple but powerful - he enjoys helping people. He especially values the staff and volunteers, describing the DBC environment as welcoming, supportive, and full of life. His favorite part of serving is the people, the relationships and sense of community that make DBC feel like family.

Looking ahead, Brian is **passionate about entrepreneurship**. His goal is to become a business consultant and help others start and grow their own companies. While his biggest accomplishment is still in progress, he is excited about what lies ahead and is motivated by leaders like Bill Gates, whose entrepreneurial journey he admires. Brian shares that there's nothing he would want to change about DBC. He's grateful for the friendships he's built and the sense of belonging he's found here. We're thankful for Brian and the heart he brings to our community!

Jacobs – Community Heroes in Action

We are deeply grateful to **Jacobs (a major global technical professional services company)** and **Madeline Jurek** for consistently leading the incredible volunteers. who have generously given their time for over four years serving in our community garden. Their dedication continues to bring life, growth, and hope to our shared space.

A special shout out to

Manny Calderon (DBC Board) & Gifton Milburn (Plant Daddy Dallas) for their unwavering commitment and the strong, **lasting partnership** over the years. These collaborations have made a meaningful and enduring impact, and we are truly thankful for the continued support.

Highland Park United Methodist Church

Fueling Bright Futures!

A huge thank you to the incredible members of the **United Women in Faith** at **Highland Park United Methodist Church**.

Thanks to their hard work and dedication at the recent **Packing Party**, hundreds of local children will have nutritious snack bags to enjoy during our summer programming. We are deeply grateful for your continuous support, energy, and community spirit!

We are grateful to **Rev. Barbara Marcum** for serving as **HPUMC UMW liaison** and keeping everything running smoothly between our teams!

The Greater Dallas Coalition

The Greater Dallas Coalition's monthly collaborative meeting, uniting non-profit organizations dedicated to a common cause.

The partnership aims to uplift the southern sector of Dallas through comprehensive support that addresses physical well-being, education, emotional health, and spiritual growth.

Darell Smith & Dr. Greg Headington
(Co- Directors, Greater Dallas Coalition)

Special acknowledgements to **Bishop J Lee Slater & Pastor Donna Lee**
(Board Chair and Board Secretary)

The Grocery Connect Wellnes Walk

Annette & Vera at the **Grocery Connect Wellness Walk**, a monthly community health initiative hosted at the **Bonton Farms Wellness Center** in South Dallas. The events combine a guided community walk with food-access programming to help neighbors increase physical activity and access fresh, affordable groceries.

Young Men's Service League (YMSL)

YMSL mom-son teams serve our neighbors.

There's nothing quite like the bond of a mother and son working as a team, because a son may outgrow his mother's lap, but he will never outgrow her heart—especially when they are teamed up for service.
